TELEPHONE CHALLENGE

We have placed a period phone in a public area at every station, call one of the numbers on their phone directory and see if someone picks up from another decade. If you hear one of our period phones ringing pick it and see who is calling your decade.

Code breaker...

Use the numbers on the information sheets by each phone to crack the code and make a word:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22
